

Features :

- Combined electrical cabinet,suitable for combined cabinet use.
- The Roof plate,Rear plate and Side plates can be removed for easy work operation.
- The door panels about 25mm off the ground to ensure flexible and smooth door opening.
- The main frame formed by the integral welding of the nine-fold profiles can ensure the high strength.
- The reinforcing ribs of the square tube of the door panel can be fixed on the door with screws, which is easy to disassemble, and the frame is densely covered with 25mm spacing modular holes to ensure the flexibility of installation.

Custom Design Available :

- Custom sizes.
- Material/Material thickness.
- Lock/Hinge/Stiffener.
- Color(RAL).
- Custom Logo/Text.
- Pre-lasered cable entry holes & laser cut apertures.

Technical Data

Material	Enclosure frame: Sus304/316, 1.5 mm Roof,Rear,Side Panel: Sus304/316,1.5 mm Door: Sus304/316,2.0 mm Mounting plate: Galvanized sheet,2.0 mm Gland plates: Sus304/316,1.5 mm Plinth: Sus304/316,1.5mm
Surface Reatment	Enclosure frame, plinth,door,roof,rear,side panel are all Brushed Stainless Steel Finish
Protection Grade	Up to IP54 (acc.to GB64205-1993)
Installation	Freestanding with Plinth
Gasket	Door, roof ,rear,side panel: PU Foam Continuous Seal
Locking System	MS830 lock with key
Optional Items	Ventilation fan, Thermostat, Louvered Openings
Standard Approvals	IEC 60529 / EN 62208 / ISO 9001 / CE / RoHS

Standard Configuration

- Front door,Roof and Rear plate,Mounting plate,9-Folds profiles frame,Side panels (optional)
- 1*lock
- 2*Longeron with 25mm hole pattern
- 4*Bearing suspension loop(Stainless steel)
- 2*Mounting strips on the door
- A4 data box on the doorpanel
- Lighting
- Door stopper

Regular Size

Model	Height1 (mm)	Height2 (mm)	Width (mm)	Depth (mm)
SVPS001	1800	100	800	600
SVPS002	1800	100	1000	600
SVPS003	1800	100	1200	600
SVPS004	2000	100	800	600
SVPS005	2000	100	1000	600
SVPS006	2000	100	1200	600

Note: Cabinets below 1000mm width are single-door type (hinge on the right side). Larger sizes are designed with double doors for easier access
